 - (ii) Each e-Cheque must be signed by the Customer (as payer) and by the Bank (as Payer Bank) with the Customer's and the Bank's respective digital signatures in the sequence set by the Bank, except that the payer's digital signature may not be required for an e-Cheque that is a cashier's order.

If the Bank provides such services and the Customer produces the Customer's digital signatures by a specific usage e-certificate, the Customer directs and authorizes the Bank to:
 - (1) provide such services in the scope and manner set by the Bank from time to time, which may include holding the specific usage e-certificate and the corresponding key and/or password for the Customer, and effect and produce the Customer's digital signatures on e-Cheques on the Customer's behalf as instructed by the Customer from time to time; and

- (d) Waiver of presentment requirements

Each e-Cheque is only required to be presented by sending it in the form of an electronic record in accordance with the Industry Rules and Procedures. 16.2 Scope of Bank Services and conditions for use

- (a) The Bank provides the Bank Services to customers to facilitate payment and funds transfer using the Faster Payment System and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster Payment System from time to time. The Bank has the right to set or vary from time to time the scope of the Bank Services and the conditions and procedures for using the Bank Services. In order to use the Bank Services, Customers have to accept and follow conditions and procedures.
- (b) The Bank may provide the Bank Services to facilitate payment and funds transfer in any currency specified by us from time to time, including Hong Kong dollars and Renminbi.
- (c) **In order to enable the Bank to handle an instruction for the Customer in relation to payment or funds transfer using HKICL FPS, the Customer has to provide or input the necessary information and complete the process by such means or in such manner prescribed by the Bank from time to time.**
- (d) All payment or funds transfer transactions using HKICL FPS will be processed, cleared and settled under the interbank clearing and settlement arrangements including without limitation the arrangements in relation to the Faster Payment System agreed by the Participants and HKICL from time to time.
- (e) The Bank reserves the right to suspend or terminate the Bank Services in whole or in part at any time without giving notice or reason.

16.3 Addressing Service - registration and amendment of Proxy ID and related records

- (a) In order to use the Addressing Service to receive payment or funds transfer using HKICL FPS, the Customer has to register the Customer's Proxy ID in the HKICL FPS. The Bank has discretion as to whether to offer the FPS Identifier as Proxy ID to the Customer.
- (b) Registration and amendment of Proxy ID and related records in the HKICL FPS must be done in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. In order to enable the Bank to register or amend Proxy ID or any related records for the Customer, Customer has to provide or input the necessary information and complete the registration process by such means or in such manner prescribed by the Bank from time to time.
- (c) **At any time where the same Proxy ID is registered by the Customer for more than one account (whether maintained with the Bank or with any other Participant), the Customer must set one account as the Default Account. By instructing the Bank to set or change the Default Account for the Customer, the Customer consents and authorises the Bank to submit the request on the Customer's behalf to HKICL FPS to override the existing Default Account registered in HKICL FPS.**

16.4 eDDA Service

In order to enable the Bank to handle a request for the Customer in relation to eDDA setup, the Customer has to provide or input the necessary information and complete the process by such means or in such manner prescribed by the Bank from time to time. The prescribed process may include requiring the relevant parties to set up the eDDA using their respective account numbers or Customer identification numbers or codes. For the avoidance of doubt, a Proxy ID is not intended for verifying eDDA setup. Any amendment of a Proxy ID and the related records or termination of a Proxy ID after an eDDA setup will not affect that eDDA.

16.5 Your responsibility

- (a) **Present genuine owner or authorised user of Proxy ID and accounts**

The Customer can only register the Customer's own Proxy ID for the Customer's own accounts or set up eDDA for the Customer's own accounts. The Customer must be the present genuine owner or authorised user of each Proxy ID and each account provided to the Bank for registration in the Addressing Service and the eDDA Service. By instructing the Bank to register any Proxy ID or any account for the Customer in relation to the Faster Payment System, the Customer confirms that the Customer is the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled in Hong Kong.

- (b) **Proxy ID**

Any Proxy ID to be registered by the Customer for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time. For example, HKICL may require the mobile phone number or email address to be registered as Proxy ID to be the same number or address registered by the Customer as contact information on the Bank's records at the relevant time. The Customer understand and agree that the Bank, other Participants and HKICL have the right and discretion without giving notice to deregister any Proxy ID that is not correct or up-to-date in accordance with available information without the Customer's consent.

- (c) **Correct information**

- (i) The Customer has to ensure that all the information provided by the Customer for registration or amendment of Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. The Customer has to notify the Bank as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by the Bank from time to time.
- (ii) The Customer is fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. The Customer is solely liable for and will hold the Bank harmless from any incorrect payment or transfer effected by the Bank and HKICL FPS due to incorrect or outdated Proxy ID or related records.

- (d) **Timely updates**

The Customer is fully responsible for giving instructions and information changes or updates to the Bank on a timely basis for amending the Customer's Proxy ID (or related records) or any eDDA setup, including without limitation changing the Customer's Default Account, or terminating any Proxy ID or eDDA. The Customer acknowledge that keeping the Customer's Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.

- (e) **Change of Default Account**

If an account is terminated as the Default Account by the Customer or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If the Customer wishes to set another account as the Default Account, the Customer has to change the registration through the Participant where the Customer maintains that other account.

- (f) **Transactions binding on the Customer**

- (i) For any payment or funds transfer, once the Customer confirms the details of a transaction and submit instruction to the Bank, such instruction and any resulting transaction is final, irrevocable and binding on the Customer.
- (ii) For any Proxy ID registration or eDDA setup, once the Customer submits an instruction to the Bank, such instruction is irrevocable and binding on the Customer. The Customer may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by the Bank from time to time.

- (g) **Use Bank Services responsibly**

The Customer must use the Bank Services in a responsible manner. In particular, the Customer has to comply with the following obligations:

- (i) The Customer must comply with all Regulatory Requirements that govern the Customer's use of the Bank Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the Regulatory Requirements protecting data privacy. The Customer must not use the Bank Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.
- (ii) In sending remarks or messages to be displayed to recipients or counterparties of the Customer's payment or funds transfer instructions or eDDA setup using HKICL FPS, the Customer should mask the name or other data of such recipients or counterparties to prevent unauthorised display or disclosure of any personal data or confidential data.

(iii) If the Bank offers the FPS Identifier as Proxy ID to the Customer, the Customer should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that the Customer desires.

(h) **Other obligations regarding payments and funds transfers**

Any instruction given by the Customer in relation to the Bank Services will be handled by the Bank in accordance with this Clause 16 and the applicable provisions in these Terms and Conditions. The Customer has to comply with the other obligations with respect to payments, funds transfers and direct debit authorisations, including without limitation maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

(i) **The Customer is responsible for the Customer's authorised persons**

Where the Customer authorises any other person to give instructions or requests to the Bank in connection with the use of the Bank Services (whether the Customer is an individual, a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body):

(i) the Customer is responsible for all the acts and omissions of each person authorised by the Customer;

(ii) any instruction or request received by the Bank, believed by the Bank in good faith to be given by the Customer or any person authorised by the Customer, will be irrevocable and binding on the Customer; and

(iii) The Customer is also responsible for ensuring that each person authorised by the Customer will comply with the provisions of this Clause 16 that are applicable to him/her when acting on the Customer's behalf.

(j) **eDDA Amendments**

The Customer authorizes the Bank (in its absolute discretion but without being obliged) to effect direct debit authorization or eDDA amendments (except for the transaction amount limit) upon receipt of amendment request of the recipient of any payment or funds transfer to be made by the Customer via using HKICL FPS, or its banker, or its banker's correspondence, from time to time, without obtaining prior confirmation from or giving any notice to the Customer. The Customer is solely liable for and will release and hold the Bank harmless from any liability and any payment or transfer effected by the Bank pursuant to such amended direct debit authorization or eDDA.

16.6 The Bank's responsibility and restriction of liability

(a) The Bank will process and submit the Customer's instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute the Customer's instructions and requests in such sequence or manner as HKICL considers appropriate. The Bank has no control over the operation of HKICL FPS nor the timing on which the Customer's instructions or requests are executed by HKICL FPS. Where the Bank receives status update notifications involving any of the Customer's Proxy ID (or related records) or eDDA setup or any other matter relating to HKICL FPS from or through HKICL FPS from time to time, the Bank will notify the Customer accordingly by such means and at such time as the Bank considers appropriate.

(b) Without reducing the effect of Clause 16.6(a) above or the provisions of these Terms and Conditions:

(i) the Bank is not liable for loss, damage or expense of any kind which the Customer or any other person may incur or suffer arising from or in connection with the use of the Bank Services or the processing or execution of instructions or requests given by the Customer in relation to the Bank Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from the Bank's negligence or wilful default or that of its officers, employees or agents;

(ii) for clarity, the Bank is not liable for loss, damage or expense of any kind which the Customer or any other person may incur or suffer arising from or in connection with one or more of the following:

(1) the Customer's failure to comply with the Customer's obligations relating to the Bank Services; and

(2) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS, or arising from any circumstances beyond the Bank's reasonable control; and

(iii) in no event will the Bank, any Bank Group Company, any of the Bank's licensors, and the respective officers, employees and agents of the Bank, each Bank Group Company and the Bank's licensors be liable to the Customer or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).

(c) **The Customer's confirmation and indemnity**

(i) Without reducing the effect of any indemnity given by the Customer under these Terms and Conditions or any other rights or remedies that the Bank may have, the Customer will indemnify the Bank and its officers, employees and agents and hold the Bank and each of them harmless against all liabilities, claims, demands, losses, damages, costs, charges and expenses of any kind (including legal fees on a full indemnity basis and other expenses reasonably incurred) which may be incurred or suffered by the Bank or any of them and all actions or proceedings which may be brought by or against the Bank or any of them as a result of or in connection with the Bank's provision of the Bank Services or the Customer's use of the Bank Services.

(ii) The above indemnity does not apply to the extent that it is proved that any liabilities, claims, demands, losses, damages, costs, charges, expenses, actions or proceedings are direct and reasonably foreseeable arising directly and solely from the Bank's negligence or wilful default or that of its officers, employees or agents. The above indemnity shall continue to have effect after the termination of the Bank Services.

16.7 Collection and use of Customer Information

(a) For the purposes of using the Bank Services, the Customer may be required to provide the Bank with the personal data and other information relating to one or more of the following persons from time to time:

(i) the Customer itself;

(ii) the recipient of any payment or funds transfer to be made by the Customer, or the counterparty of any eDDA to be set up by the Customer; and

(iii) where the Customer is a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body, any of the Customer's directors, officers, employees, authorised persons and representatives,

- (b) The Customer agrees (and, where applicable, for and on behalf of each of the Customer's directors, officers, employees, authorised persons and representatives) that the Bank may collect, use, process, retain or transfer any of the Customer Information for the purposes of the Bank Services. These purposes include without limitation one or more of the following:
 - (i) providing the Bank Services to the Customer, maintaining and operating the Bank Services;
 - (ii) processing and executing the Customer's instructions and requests in relation to the Bank Services from time to time;
 - (iii) disclosing or transferring the Customer Information to HKICL and other Participants for their use for the purpose of the operation of HKICL FPS;
 - (iv) meeting the requirements to make disclosure under any Regulatory Requirements; and
 - (v) purposes relating to any of the above.
- (c) The Customer understands and agrees that the Customer Information may be further disclosed or transferred by HKICL, the Bank or any other Participants to their customers and any other third parties who are users of HKICL FPS for the purposes of providing and operating the Addressing Service and the eDDA Service.
- (d) If the Customer Information includes personal data or other information of any person other than the Customer itself (including any persons specified in Clauses 16.7(a)(ii) or 16.7(a)(iii) above), the Customer confirms that the Customer will obtain and has obtained the consent from such person regarding the use (including disclosure and transfer) of his/her personal data and other information by HKICL, the Bank and the other Participants as specified in this Clause 16.7.

16.8 QR Code Services

- (a) This Clause 16.8 applies to the use of the QR Code Services, together with these Terms and Conditions and any other terms and conditions that apply to the mobile application ("App") through which the Customer accesses the QR Code Services.
- (b) Using the QR Code Services and the Customer's responsibility
 - (i) The QR Code Services allow the Customer to scan a QR code provided by the Bank or by another person to automatically capture the payment or funds transfer data without the need for manually entering the data. Any QR code provided by another person must meet the specifications and standards prescribed by HKICL in order to be accepted. **The Customer is fully responsible for ensuring that the captured data is accurate and complete before confirming any payment or funds transfer instruction. The Bank is not responsible for any error contained in such payment or funds transfer data.**
 - (ii) The QR Code Services can be used on a mobile device running an operating system supported and specified by the Bank from time to time.
 - (iii) Updates to the QR Code Services may be issued periodically through the supplying app store for the App. For some devices, updates will be downloaded automatically. For other devices, the Customer will need to download the updates itself. Depending on the update, the Customer may not be able to use the QR Code Services until the latest version has been downloaded. **The Customer is fully responsible for ensuring the latest version has been downloaded to the Customer's mobile device for the purpose of using the QR Code Services.**
 - (iv) The QR Code Services are intended for use by the Bank's customers only. The Bank has the right to cancel the Customer's account for the App and/or block the Customer from accessing the QR Code Services if the Bank discovers that the Customer is not eligible to use the QR Code Services.
 - (v) The QR Code Services are not intended for use in any jurisdiction where their use would be contrary to any law or regulation of that jurisdiction or where the Bank is not licensed or authorised to provide the QR Code Services.
 - (vi) **The Customer must comply with all applicable laws and regulations that govern the Customer's download of the App, or access or use of the App or the QR Code Services.**
- (c) Security
 - (i) **The Customer must not use the QR Code Services on any device or operating system that has been modified outside the mobile device or operating system vendor supported or warranted configurations. This includes devices that have been "jail-broken" or "rooted". A jail broken or rooted device means one that has been freed from the limitations imposed on it by the Customer's mobile service provider and the phone manufacturer without their approval. The use of the QR Code Services on a jail broken or rooted device may compromise security and lead to fraudulent transactions. Use of the QR Code Services in a jail broken or rooted device is entirely at the Customer's own risk and the Bank will not be liable for any losses or any other consequences suffered or incurred by the Customer as a result.**
 - (ii) **The Customer is fully responsible for all instructions or requests given by the Customer or any other person authorised by the Customer during the use of the QR Code Services.**
 - (iii) **The Customer is fully responsible for ensuring that the information shown or stored on the Customer's mobile device is kept secure.**
 - (iv) **If the Customer knows or suspects that any other person knows the Customer's security details, or has used or tried to use them, or if the Customer's mobile device is lost or stolen, the Customer must notify the Bank as soon as reasonably practicable.**
- (d) The Bank's responsibility and restriction of liability
 - (i) While the Bank makes commercially reasonable efforts to provide the QR Code Services, the Bank is not liable for any failure to provide the QR Code Services.
 - (ii) The QR Code Services are provided on an "as is" basis with no representation, guarantee or agreement of any kind as to their functionality. The Bank cannot guarantee that no viruses or other contaminative properties will be transmitted or that no damage will occur to the Customer's mobile device in the use of the QR Code Services. The Bank is not responsible for any loss the Customer may incur as a result of the Customer's use of the QR Code Services.
 - (iii) **The Customer understands and agrees that:**
 - (1) **The Customer uses the QR Code Services at the Customer's sole risk. To the maximum extent permitted by law, the Bank expressly disclaims all warranties and conditions of any kind, whether express or implied.**
 - (2) **The Customer downloads or obtains any material or information through the use of the QR Code Services at the Customer's sole risk and discretion. The Customer is solely responsible for any damage to the Customer's computer or other device or loss of data resulting from downloading, obtaining or using such material or information.**

5. Insufficient Fund

If the withdrawal or transfer is made without sufficient fund, the holder of such account shall repay to the Bank on demand the sum representing the amount of such withdrawal or transfer together with interest thereon at the rate and in the manner chargeable by the Bank for overdraft account. Nothing herein shall be construed to impose any obligation on the Bank to allow any account(s) to be overdrawn or over transferred.

6. Joint Card Account

- (d) The Customer hereby further agrees to indemnify the Bank and keep the Bank fully indemnified against any suits, actions, losses, claims, damages and demands which

may be reasonably suffered or incurred by the Bank arising from or relating to the Customer's making deposits with the Bank by using ATM Card at the ATMs and/or other devices or terminals installed and operated by the Bank unless the same is reasonably foreseeable and solely and directly caused by the wilful default or negligence of the Bank, its agents, officers or employees.

9. Withdrawal/Transfer/Other Debit

The Customer is fully liable for all amounts that the Bank debits to the ATM Card Account, whether due to the unauthorized use or misuse of a ATM Card/ PIN or through a lost or stolen ATM Card, before the Bank receives notification of the loss, theft, unauthorized use, misuse and/or disclosure of a ATM Card/PIN. The Bank may from time to time impose any limits and restrictions at its sole and absolute discretion to comply with any applicable laws, rules, regulations, guidelines, notices or restrictions issued from time to time by any relevant competent authority, government agency, exchange or body (whether inside or outside Hong Kong), and the internal policies of the Bank for the time being.

15. Charge

Such fee shall be at such rate and for such period as determined by the Bank from time to time and announced to the Customer in such manner as the Bank deems fit and shall not be refundable irrespective of early cancellation of the ATM Card either by the Customer or by the Bank. The Customer agrees and authorizes the Bank to debit to his account such fees or charges from time to time.

16. Account Information Disclosure

18. Right to Terminate the ATM Card

The Bank reserves the right at all times at its absolute discretion to terminate this agreement with the Customer by withdrawal of the ATM Card or the service thereby provided, or by refusing to renew the ATM Card without giving any reason therefor and without any prior notice to the Customer. The ATM Card will automatically be void upon notification of its cancellation or withdrawal from the Bank or by any other person acting on behalf of the Bank.
